

Touch Terminal 10,4 inch

- Working noiselessly (no fan inside)
- No moving parts
- Aluminium housing in high quality
- Multiple optional features

APPLICATIONS FIELDS

- surveillance
- industrial technics
- machine steering
- medicine technics
- kiosk systems – cash systems
- home automation
- car-pc
- video technics
- info terminals etc.

TECHNICAL DATA

- 2 years warranty, german / english manufacturer support
- dimensions (cm): 29,8 x 23,4 x 6,3 (BxHxT)
- weight ca. 3,0 kg
- working temperature 0° to +40° C
- VESA-75 mounting possibility
- Screen size: 10,4 inch (26,42 cm)
- faultless digital A-brand TFT-LCD panel, A+ quality
- physical resolution (RGB) 800 (B) x 600 (H) Pixel
- display brightness: 230 cd/m2
- contrast: 320:1
- viewing angle horizontal, vertical (in degree): 150
- Mainboard with Intel ATOM N270 CPU
- Lan 10/100/1000 MBit ethernet
- Wlan 802.11 b/g
- 2xUSB 2.0
- 2xCom-Port extern
- external video connector DVI-I
- Com1 additional RS422/RS485 (Bios setting)
- Serial 1 with power feature for connecting serial barcode reader (Bios)
- External 220V power supply with 12 V output (included in delivery)
- Touch Screen (resistive)
- protection type IP 65 front
- **Basis unit:** 1x SATA HD Slot for SSD available
- **High1 unit:** 1x CF-Card Slot available

VERSIONS

Basis unit (10 inch standard terminal) Ordernr. ITT10BWE

XP Embedded, 1 GB RAM, 2 GB SLC Industrial-FlashROM

High1 unit (10 Zoll XP Prof Terminal) Ordernr. ITT10BWX

XP Professional OEM, 2 GB RAM, 32 GB MLC SSD

OPTIONALE FEATURES

(please ask separately for mounting kits)

Wlan 802,11 b/g/n (mimo)	Ordernr. ITWL2
(vandalism secure) SAW-Touch Panel	Ordernr. ITSAWTOUCH10
IP65 (on request)	Ordernr. ITIP65
USB security logger	Ordernr. ITUSBLOG
ITPS optional 6-36V power steering	Ordernr. ITITPS
Linux on request	Ordernr. ITLIN1
Upgrade to Windows 7 professional german	Ordernr. ITW7PROFU
Upgrade to Windows 7 professional english	Ordernr. ITW7PROFU_E

Memory upgrades Ram SSD or HD on request

Touch Terminal 15 inch

- Working noiselessly (no fan inside)
- No moving parts
- Aluminium housing in high quality
- Multiple optional features

APPLICATIONS FIELDS
